

28th March 2024

Dear Parents and Carers,

As we approach the end of a fantastic term filled with incredible learning and growth for our students, I wanted to share some exciting news for the upcoming weeks.

After the Easter break, we will be starting a new Forest School. If your child would like to join in with the club activities planned for their year group, please ensure they come to school equipped with their Wellies. Please be assured all children will get to be involved in forest school over the course of the year.

I would like to inform you that we have a new member of staff joining us after the term break. Mrs Norton will be our Higher Level Teaching Assistant (HLTA), bringing her valuable lengthy teaching experience and expertise to our team.

Please take this opportunity to update any contact details with Mrs Baxter-Edwards if there have been any recent changes. It is essential for us to have up-to-date information to ensure effective communication between the school and home.

I would also like to express our gratitude to the Friends of the School for their dedicated efforts in raising funds that benefit our school community. Your contributions make a significant difference, and we are truly grateful for your support.

A special thank you to Father David, Mrs. Boulton, and the church team for their ongoing support and collaboration. Your partnership enriches the spiritual and cultural development of our school.

As always, if you have any questions or concerns, please do not hesitate to get in touch. Thank you for your continued support and dedication to our school community.

Please see below the list of clubs for this term.
