27th September 2018

Dear Parents

Thank you for the many messages of support and encouragement (and chocolates!) received both prior to and during our recent OFSTED inspection. I am pleased to now be able to share the outcome of this inspection with you. The report is in the form of a letter addressed to me, and you will find it attached to this letter. It will also be published on the OFSTED website in due course.

We are pleased that OFSTED have recognised that we continue to be a 'good' school. There are many positive aspects to the report, and this is testament to the hard work of the children, parents, staff and governors of our school, and also the Local Authority who have both challenged and supported us in achieving this. On the whole, OFSTED agreed with our own evaluation of the school, and the identified areas for improvement will help us push on even further. Some of these areas had also been included by us in our school improvement planning for this academic year. For me, that is important; we know our school, we know what we do well and we know what we need to do to improve even further.

This report is a celebration of what has been achieved so far, but is also a solid grounding for us to push on and really excel and become an 'Outstanding' school. With the continued support of the whole school community, I am convinced that we can do it.

Take the time to reflect on the report, and if there is anything you would like to discuss further, please do not hesitate to make contact.

Thank you and well done to everybody.

Yours sincerely

Mr N Brompton
Headteacher
