

Pupil Premium Grant Expenditure (PPG): Castor CE Primary School Report 2013-14 Academic year

Statement
<p>Each year in our budget we receive Pupil Premium Funding. This year it has been awarded to the school at a rate of £900 for every child who has been eligible for Free School Meals, Service Pupils and pupils who have been looked after (continuously for more than six months), at any point in the last 6 years.</p> <p>It is for the school and its Governors to decide how the PPG is spent, as we are best placed to assess what additional provision should be made for individual pupils in school to help to 'narrow the gaps' and support pupils making good progress throughout the school. As a school we are very conscientious of our duty to spend the PPG to impact on the targeted pupils in such a way that is does not openly identify them or discriminate against others. Therefore Pupil Premium spending primarily designed to impact on PPG pupils are opened to all pupils who were deemed to have the same needs. Hence in addition to direct spending on PPG pupils much of this spending has also directly or indirectly impacted positively on other children's attainment and pastrol care.</p>

Summary and Objectives of Pupil Premium Spending
<ul style="list-style-type: none"> · To provide financial assistance to those parents where money might be a barrier to equality of access. · To enrich the wider curriculum by helping to fund residentials. · To support pupils' personal development and well-being, leaving teachers to teach. · To have targeted support through intervention groups and individual support.
