

Easter

During this topic we will be:

- Discussing *why* and *how* people celebrate **Easter**.
- Looking after and observing our **living chicks**, and talking about caring for living things.
- Problem-solving in maths, including finding pairs of numbers that total 10 with **chicks** and **eggs**.
- Calculating with eggs and chicks and recording our maths learning – addition and subtraction.
- Finding out all about **eggs** and animals that lay eggs.
- Making **Easter** cards.
